MARYA KARMANI ACCA P1 & P2, June 2011

I chose DBS as I already have done my undergraduate degree from here and only had great experiences with the college. DBS is great for studying ACCA, revision classes and the Master Classes also really help a lot. Also, the lecturers are very exam focused and helpful. I am glad that I chose DBS and would highly recommend it.

Marya is currently a full-time ACCA student

RAFAL CHOMICKI ACCA F2, June 2011

I chose DBS because I heard lots of positive opinions from previous students; it has a good location, the administrative staff are very helpful and there is also convenient parking. DBS was the best choice for me because the lecturers are engaging and always there when extra help or explanation is needed.

Rafal is currently an Accounts Assistant with Fitzpatrick Design Collection (The Morgan and The Beacon Hotels)

JODY FOLEY ACCA F4 & F5, June 2011

I chose DBS for several reasons, primarily due to the open evening, where I got to speak to several lecturers who advised me of the quality of the DBS courses. I was aware of the reputation of DBS and the location and class times also informed my decision. Overall, I was really impressed with the standard of courses provided by DBS – from the quality of lecturers, quality of materials and quality of lecture facilities through to the interest and dedication shown by all DBS staff to the students.

Jody is currently working as a Tax Specialist with Bord Gáis

SIOBHAN MCCANNY ACCA F2, June 2011

I chose DBS because I heard great feedback from people who have been there in the past and this influenced my decision to study there. During my time at DBS, I have been very happy with the service provided. The lecturers main aim is to keep you exam focused and getting you over the line. I felt they went that extra mile for me.

Siobhan is currently an Accounts Assistant with Plan Ireland

MELANIE JOLLIFFE ACCA F6, June 2011

I had heard good reports about the lecturers for both F5 & F6. The location also played a part in my decision to study at DBS as it's very central. I would recommend DBS to others as the quality of teaching is excellent. The college is very accessible and all the tutors and administrative staff are helpful and easy to contact. I also found the QBR Day very beneficial. It is the key to practicing exam questions under exam conditions. I would like to thank all the staff and lecturers at DBS for all their help and support.

Melanie is currently working as a Trainee Accountant with Cusack Garvey

Your Route to Becoming ACCA Qualified

Frequently Asked Questions

How do I become ACCA qualified?

To qualify you must complete the 3 elements required by ACCA – Exams, Ethics and Experience.

Exams

Students are required to complete 2 levels, Fundamentals and Professional. These comprise 16 papers, 14 of which you are required to pass (unless you receive exemptions from any papers).

- 1. Fundamentals Level – Knowledge Module
Fundamentals Level – Skills Module**
- 2. Professional Level –
Essentials and Options Module**

Ethics

Students are required to complete an online ethics module. It is compulsory for students who joined ACCA from 1st January 2007 onwards and recommended for all other students. ACCA will advise all students how to complete this module, which should normally be done when studying paper P1 Governance, Risk and Ethics in the Essentials Module.

Experience

You must have 3 years relevant practical experience, which can be obtained before, during or after your exams. This is known as the Practical Experience Requirement (PER). You will be asked to provide ACCA with an online annual return to show the experience you have achieved during the preceding year. If you have completed your Exams and Ethics module, but not your Experience requirements, you are known as an ACCA Affiliate. Once you have completed all three elements, you can apply to ACCA for full membership and have 'ACCA' after your name.

Can I start the ACCA qualification?

The ACCA qualification is open to everyone, although your starting point may be different depending on your previous school leaving and/or third level undergraduate qualifications.

Minimum Entry Requirements: Irish Leaving Certificate in at least five separate subjects (including Mathematics & English) with at least 3 subjects at Higher Level (Grade C or above).

Students who do not meet the minimum entry requirements can join the Foundations in Accountancy (FIA) suite of awards and progress to ACCA.

How can I find out if I have any exemptions?

If you have completed an accounting technician qualification you may be eligible for exemptions from the Knowledge module. If you have a degree in Accountancy, Finance or Business, you may be eligible for exemptions from the Knowledge module and some of the papers in the Skills module. Detailed information on exemptions is available on the ACCA website www.accaglobal.com
