### DBS Alumni Testimonial

*I found the BA (Hons) Business (Information Systems) challenging and extremely interesting. It has benefited me greatly as I am able to programme confidently and apply my business knowledge in everyday life. I achieved a great graduate job in a large financial bank, where without the education I received at DBS I would not have been able to grasp this opportunity. I would recommend DBS because the staff and societies are great – the social and academic prospects are endless!*
