Why Choose DBS?

Wide Course Offering

DBS is Ireland's largest independent third level college, with over 9,000 students and an ability to deliver over 100 accredited courses in the areas of Business, Arts, Law, Psychology and Computing. In addition to the wide range of Honours Bachelor Degree (Level 8) courses available, there are opportunities to progress from Higher Certificate (Level 6) to Ordinary Bachelor Degree (Level 7) and from Ordinary Bachelor Degree to Honours Bachelor Degree.

QAI AWARD

Accreditation

All DBS courses through the CAO are awarded by Quality and Qualifications Ireland (QQI) which fits into the National Framework of Qualification (NFQ) which was designed to create a single, easily understood qualifications system for all levels of education and training in Ireland.

"The lectures are great, given by people who are actively working in the sector and the facilities are of professional studio standard, which is what you would expect when hoping to work in this industry and build a career."

Michael Conefrey,
Higher Certificate in
Sound Engineering
and Music Production

Recognition by Professional Bodies

DBS has professional accreditation and recognition attached to programmes from global bodies such as the Association of Chartered Certified Accountants (ACCA), the Chartered Institute of Management Accounting (CIMA) and from national organisations such as the Psychological Society of Ireland (PSI), the Law Society and the Honorable Society of Kings' Inns for Solicitor and Barrister training. DBS was the first private college to be awarded PSI recognition on its Psychology degree and now also offers a conversion-style Postgraduate Higher Diploma in Psychology which is also PSI accredited.

"After our lectures have finished for the day, some of us will go down to the library and work on our assignments or study what we have been covering in lectures that week. There is a lot of reading involved in my course but when it's such interesting subject matter I don't mind a bit."

Emma Flanagan,
BA (Hons) in Psychology

“As a final year student, the Careers Department becomes paramount in your search for a career. The DBS careers department offers excellent support resources both online and face to face to help guide you through the graduate employment arena.”

Brian Hannon,
BA (Hons) Business

Global Student Success

Thousands of professional accountancy students have passed their exams with DBS over the past 45 years with over 1,000 achieving worldwide and national prizes and placings in the global examinations of ACCA and CIMA.

City Centre Location

A mere two minute walk from St. Stephens Green, the Luas and all main bus routes, DBS is truly in the heart of Dublin city. Our educational sites in the prime city centre locations of Aungier Street, South Great George’s Street and Balfe Street are all within a few minutes walking distance of each other and provide students with access to all of the infrastructure capabilities of a vibrant modern city.

Career-Focused Education

A degree from DBS will set you up for your future career. In addition to the high level academic and practical knowledge and experience students will receive from our faculty, students can also avail of work

experience and internships (supported by the DBS Careers Service) enabling you to obtain real world experience throughout your course of study and be equipped with a competitive advantage on graduation. All programmes are developed in collaboration with industry which allows subject offerings to reflect opportunities emerging in cutting edge industries such as film, digital media and cloud computing.

Dedicated Student Services Department

As students are the primary focus of the College it is only appropriate that they should have their own department. The Student Services Department caters exclusively for our students’ needs. One of the department’s main roles is the facilitation of personal and academic development. In DBS academia is integrated with a stimulating social scene and students participate annually in events such as Freshers’ Week and Rag Week as well as involving themselves in the wide range of clubs and societies on offer.

Additional Information

Entry Requirements and Next Steps

CAO Applicants

Leaving Certificate, FETAC, A-Level and all students completing school leaving exams are generally required to apply through the CAO where a CAO code is provided. Where a CAO code is not provided students may apply directly to the college.

Mature Applicants

Students who are applying to programmes as mature applicants must be over the age of 23 as on 1st January in the year of entry. Mature students may apply through the CAO or directly to the college. They are not required to do both. Mature students are assessed on the basis of age, educational standard and work experience to date.

Transfer Applicants

We welcome applications from transfer students and process a large number every year. Transfer applicants are required to submit a completed application form along with a complete set of academic transcripts in order to have the transfer request processed. Generally speaking, a Higher Certificate graduate is eligible to apply for a place on the final year of an ordinary degree or second year of an honours degree in a cognate discipline – these guidelines also apply to FETAC Level 6 and HND graduates. Ordinary degree graduates are eligible to apply for final year entry to an honours degree in a cognate discipline. If you have started or completed a third level qualification already (Level 6 or above) you may be eligible for advanced entry and you can contact the Admissions Office for more information.

Students with Disabilities

DBS welcomes applicants with disabilities, and is keen to ensure that all students experience equality of opportunity in reaching their educational potential. Any applicant with special needs should contact the College well in advance of course commencement to assess if their needs can be addressed. At examination time, candidates, with special educational requirements, should apply to the Exams Office for provision of facilities which best enable them to demonstrate their knowledge of the subject being examined. Students with disabilities who have applied through the CAO should ensure that they have submitted the relevant supplementary information form in addition to the application. Direct applicants will also be required to complete a similar form if they disclose a disability on their application forms.

“I was selected for a graduate programme in one of the Big Four audit firms in Ireland. DBS laid a strong foundation which helped me then complete my professional accountancy qualification.”

Seetal Somasundaran,
BA (Hons) Accounting
and Finance

Student Services

Welcome to DBS and College Life!

The transition from school to third level education is a massive and sometimes difficult step in everybody's life. It is a time of excitement and anticipation, but also of trepidation and anxiety. The Student Experience Team is committed to supporting you on this journey and ensuring that your first year in College is a success. Our objective is to ensure you have the best possible College-life experience and to promote a DBS community and culture that is focused on your wellbeing and success.

The full suite of services continue to be available students throughout the pandemic as the college has pivoted to facilitate delivery of services through a variety of online platforms in line with government restrictions.

Student Welfare

The welfare of our students is of upmost importance in DBS. Our Student Experience Team gives advice and support to all students of the College. Be it accommodation, financial, visa, study advice or psychological issues, the team are here to help. We have close ties with local medical services and can arrange an appointment at short notice. We also provide students with a free and confidential counselling service where we will refer a student to a professional counsellor if required.

Activities and Events

College Life is about much more than just education. Through our broad range of clubs and societies you will get to enjoy the full student experience, which extends beyond lectures and exams. The DBS campus is in Dublin city centre, and we use all of the extra-curricular and recreational opportunities that our unique location offers.

The first 100 days...

Your first 100 days are critical to adapting and thriving in college. In DBS we have developed a programme which, through physical and online resources, allows you to fully adapt to college life. This is a cross-college collaboration, with Student Experience, Lecturers, Library, Student Union and Careers providing the tools and support to help you through your college journey.

"Outside of college I am working as a care assistant in a nursing home. I would really like to build up my experience and spend a few years working with the homeless, foster children and those who are suffering with addiction."

Rachel Monaghan,
BA in Applied Social Care

Career Services

"I'm really enjoying the BA in Legal Studies in DBS and I plan to stay another year to complete the LLB Bachelor of Laws (Hons)."

Louise Ordinaire,
BA in Legal Studies and DBS
Law Society Member

Dublin Business School creates graduates who are able to realise their full potential, are attractive to employers and are ready for employment.

Through strong links with employers we understand what attributes industry are looking for and we prepare our students to meet these needs.

The Careers Hub

Careers Services are delivered through a dedicated team of Careers Coaches in the DBS Careers Hub. This is a new approach to providing Careers Advice and support among Irish third level Institutions. Through innovations such as specific careers pathways, 24/7 access, and the use of technology to deliver workshops and seminars, the team bring students and employers together, and are instrumental in our graduates building successful careers in companies such as Google, Microsoft, Amazon, Accenture Hubspot, Version 1 and many others.

DBS Career Fairs

The Career Fairs present students with a fantastic opportunity to meet with employers and discuss potential job opportunities as well.

Many of our past students have secured full-time positions from attending the fairs in previous years and it remains an integral part of the academic calendar.

LinkedIn

DBS Students were invited to the LinkedIn HQ where LinkedIn facilitated a workshop on using the platform and helping students with tips on the platform, curriculum vitae tips and interview skills.

Women in Leadership

Personal Career Development Week hosted a Women in Leadership Panel moderated by Ntsoaki Phakoe-McKevitt. The panelists included, from left to right: Cliona O'Beirne, Head of Marketing & Admissions, DBS; Simone Macleod, Chief People Officer, Nairn; Eadaoin Curtin, Founder, Firechild Photography; and Sinead Lucey, Girls In Tech/Thousand Eyes.

Guest Lecture Series

DBS welcomed Mark Kelly from AI Ireland who participated in a guest speaker event. Mark came to the college and gave a fascinating talk on the use of artificial intelligence in the media! Kieran O'Shea, from Decathlon spoke to students about the opening of the sports retail store and the full-time and part-time opportunities that were available. The Guest Lecture Series is a wonderful opportunity to connect with industry and learn directly from leaders in business.

DBS Men's Basketball – Crowned Division 1 National Champions 2020

In March our men's basketball team were crowned Division 1 National Champions for 2020 after a thrilling final at the Oblate Arena against NUIG. This was a tightly contested match-up with two of the countries leading colleges. The teams went toe-to-toe for the right to become champions of Ireland. It was a thrilling final, scholarship stars Daniel Heaney, Marko Tomic and Hillary Nets all providing stand out performances throughout the final. But it was Paris Ballinger, whose MVP display was instrumental in the success of DBS taking home their first ever Division 1 National Championship.

DBS students assist in UXDX Conference

DBS Event Management students assisted in the delivery of the UXDX Conference. The conference brings together UX (user experience), UI (user interface), design, development and cross functional product teams.

Lecturer Emma Olohan speaking of her students' efforts said "DBS Event Management students are moving with the times immersing themselves by playing a key role in high profile events that have gone virtual this year including Web Summit, Working World 2021 & beyond, and Pendulum".

Graduations – November

The 2020 DBS Graduation Ceremonies took place in November. They were a little different in 2020 as they took place virtually instead of at the RDS Concert Hall. Over two days 2,840 students graduated and celebrated their wonderful achievements from the comfort of their homes. Graduates were conferred in programmes awarded by Quality and Qualifications Ireland (QQI).

Important Update

Four fully funded ICT Degree CAO Courses

Have you ever thought of a career in Computing or were not quite sure if computing was for you, well with the right qualifications and skills, companies will strive to attract the best people for the job. Ireland is a global technology hub, with 16 of the top 20 global technology firms, 9 of the top 10 US ICT companies and 4 of the top 5 IT service companies locating strategic operations in Ireland. The ICT sector is a driver of Ireland's productivity growth, a key contributor to total value added to the economy, as well as a driver of exports and high quality, highly paid employment.

Computing skills are expected increase for high-level ICT professionals from 85,000 in 2018 to 139,000 by 2022, relating to all sectors of the economy. This encompasses both replacement demand and additional demand driven by growth within the technology and wider sectors. Over this period it is expected that ICT jobs will increase from 11,594 in 2018 to 17,795 per annum by 2022.

These courses are open to EU students applying through CAO.

As part of the Government Human Capital Initiative (HCI), DBS are delighted to announce that we have been allocated extra places for 2021 across our 4 programmes outlined below. This means, there are no Tuition Fees for these programmes and students will only have to pay a €1,500 registration fee if they are successfully offered a place through CAO in August 2021. Click the links below to find out more information on these courses:

- ▶ BSc (Hons) Computing (CAO Code: DB500)
- ▶ BSc (Hons) Computing (Data Analytics and Big Data) (CAO Code: DB502)
- ▶ BA (Hons) Business (Information Systems) (CAO Code: DB524)
- ▶ BA (Hons) Business (Cloud Computing) (CAO Code: DB526)

This is a great opportunity for you to take a Computing qualification in an area of skills shortages in the Irish Economy.

Entry Requirements and Next Steps

ENTRY REQUIREMENTS

Honours Bachelor Degrees (Level 8)

Leaving Certificate

Under the new Common Points Scale, which was introduced in 2017, applicants must obtain a minimum of 2H5's and 4 O6/H7, including a language. Some degree programmes will also require a minimum of O6/H7 in Maths. Please see individual course entry requirements for further details.

A-Levels/GCSE

Applicants must obtain a minimum of four GCSE passes at grade C or higher plus two A-level passes at grade C or higher. Some programmes will require Maths and English or another language (or both).

BTEC

Students applying for any Honours Degree programme must have obtained a minimum of a BTEC Higher National Diploma in a cognate area.

FETAC Applicants

Minimum entry requirements for graduates of FETAC awards is a full FETAC award at Level 5 on the NFQ and which includes a Distinction grade in at least three modules. A full FETAC award normally consists of eight modules. A record of achievement/component certificate does not meet minimum entry standards. FETAC Level 5 awards will be accepted in any discipline. Further details can be obtained from the Admissions Office.

Ordinary Bachelor Degrees (Level 7) Higher Certificate (Level 6)

Leaving Certificate

Leaving Certificate Applicants must obtain a minimum of grade O6/H7 in five subjects, including a language. Some programmes also require a minimum of a grade O6/H7 in Maths.

A-Levels/GCSE

Applicants must obtain a minimum of four GCSE passes at grade C or higher plus one A-level pass. Some programmes will require Maths and English or another language (or both).

BTEC

Students applying for any Ordinary Degree or Higher Certificate must have obtained a minimum of a BTEC National Diploma in a cognate area.

FETAC Applicants

The minimum entry requirement for graduates of FETAC awards is a full FETAC award in any discipline. A full FETAC Level 5 award normally consists of eight modules. A record of achievement/component certificate does not meet minimum entry standards. Further details can be obtained from the Admissions Office.

All applicants presenting other qualifications should contact the Admissions Office directly to discuss their eligibility criteria.

Points Calculation

Selection of CAO applicants will be made on the basis of points. Your points will be calculated by adding together the points scored in the best of six subjects in a single sitting of the Leaving Certificate. The results of two sittings at Leaving Certificate (or equivalent examination) can be combined for the purposes of meeting the subject requirements for minimum entry. DBS currently awards bonus points for Honours maths students. Please note that bonus points will only apply where Maths is counted as one of the best six subjects for the applicant.

Points Calculation Grid

Applicants can use their link module for points allocation as one of their six subjects for the purpose of calculating points and it will therefore count as a passing subject.
