

Partnership Opportunities with Dublin Business School

Your Gateway to International Collaboration

Dublin Business School (DBS) is Ireland's largest independent higher education institution, offering globally Recognized programs tailored to international students. With over 9,000 students from 70+ countries, DBS is an ideal partner for U.S. universities seeking study abroad, summer programs, articulation agreements, and transnational education (TNE) initiatives.

Expand Your Global Reach with DBS

- **Seamless Credit Transfer:** Customized articulation agreements ensure a smooth progression for U.S. university students.
- **Flexible Study Abroad Options:** Semester, summer, or full-year programs across business, IT, arts, and humanities.
- **Customized Summer Schools:** Tailored short-term study programs incorporating academic, cultural, and industry experiences.
- **Global Recognition:** Degrees accredited by Quality & Qualifications Ireland (QQI), ensuring international credibility.
- **Industry Integration:** Located in Dublin, the European headquarters for major global companies like Google, Deloitte, KPMG, Meta, and Microsoft.
- **Student-Centric Support:** Comprehensive visa assistance, accommodation guidance, and student services.

Articulation Agreements & TNE

Partner with DBS for Credit Transfers & Degree Completion

DBS works with U.S. institutions to develop seamless pathways for students to complete their bachelor's or master's degrees in Dublin.

- **Undergraduate Credit Transfer:** 2+2, 3+1 and 4+1 pathways allow students to transition smoothly from U.S. universities.
- **Master's Completion:** One-year postgraduate programs in business, management, finance, digital marketing, and data analytics.
- **Dual Degrees & TNE:** Flexible models for joint programs and international collaboration.

Join the DBS global community and offer your students an opportunity to thrive in one of Europe's most dynamic capitals.

Study Abroad Programs

Study Abroad at DBS

DBS welcomes U.S. students for semester and academic year programs, offering:

- **Wide-Ranging Course Options:** Earn 12-15 U.S. credits in business, IT, psychology, marketing, finance, and more.
- **Cultural & Career Enrichment:** Company visits, networking events, and cultural excursions.
- **Affordable & Accessible Education:** Competitive tuition rates with excellent value for international students.

Summer Schools & Short-Term Programs

- **3 to 6-week summer courses:** Customized for U.S. students, combining academic learning with cultural immersion.
- **Tailored University Partnerships:** DBS can develop summer schools aligned with your institution's academic goals.
- **Integrated Industry Experience:** Visits to global companies, guest lectures, and real-world business challenges.

Why Dublin?

- **Top Study Abroad Destination:** Ranked 5th globally for U.S. study abroad students.
- **Global Business Hub:** Dublin is home to the European headquarters of leading multinational companies.
- **Vibrant Cultural & Student Life:** A city filled with history, music, and an international student-friendly environment.
- **Gateway to Europe:** Budget-friendly travel options to explore Europe while studying.

Unparalleled Student Experience

Studying at DBS is a transformative experience beyond academics. U.S. students engage in hands-on learning, build global networks, and embrace Dublin's vibrant culture. Through industry-led seminars, projects, and cultural activities, they gain skills, confidence, and a global outlook to excel in a competitive world.

Join Our Network of U.S. Partners

Already collaborating with leading U.S. institutions through innovative academic partnerships, our team at DBS would be delighted to explore a customized agreement that benefits your students and enhances their global learning experience.

Partner with us today to explore tailored agreements and marketing initiatives to support your students.
